

## UNIFORM EXPECTATIONS

Recently, we have noticed that many of our students are coming to school wearing incorrect uniform.

Our expectations are that all students will wear:

- Polo shirt (short and long sleeved) in either white or navy (School logo on front LHS chest).
- Polar Fleece in navy (School logo on front LHS chest).
- Navy unisex shorts and long trousers.
- Navy skort for girls.
- Navy bootleg pants for girls.

Brochures are available from the office.

Uniforms are available for purchase from The Warehouse Glenfield Branch.

- Ribbon, hair ties, socks etc, must be the school colours of black, white and navy.
- Uniforms, must be labelled with the child's name.
- Different raincoats and weather protection may be worn to and from school.

Students must not:

- Wear roller shoes.
- Wear any colours other than the school colours, as above.
- Wear jewellery, except for a watch and plain studs.

\*Please ensure your child is wearing our correct school uniform every day.

\*All students wearing the correct uniform before the end of the term will receive a merit.

\*Please contact the school to make an appointment with Mrs Cooper if you have any problems.
